PROJECTS AND UNIQUE ATTRIBUTES⁵

Tulsa Tech was founded in 1965 as a part of Tulsa Public Schools and in 1973 began as an independent school district with one campus. Today, Tulsa Tech has six campuses and multiple training locations throughout Tulsa County serving thousands of students. By providing career and technical education as well as business services, Tulsa Tech is a key driver of economic development in northeast Oklahoma.

We engage businesses with our educational programs, resulting in a stronger workforce community where companies can thrive. Our diverse course offerings are designed to streamline the transition from the classroom to the real world. We invest in continuous improvements to ensure our training is in sync with today's savvy, competitive, global economy. As we look to the future, technology continues to play an increasing role in the development and delivery of Tulsa Tech programs and services as we strive to be the region's leader of career and technology education resulting in a quality job for every Tulsa Tech student and a skilled workforce for every company.
