

Cosmetology - Secondary

Description

If your creative talents lie in the care and enhancement of the human body, Tulsa Tech's Cosmetology program provides a strong foundation for a lucrative position in this billion-dollar industry. Under the leadership of experienced and skilled professionals, you will study the care of hair, skin and nails and develop your skills and personal style in the state-of-the-art facility working on actual clients. Customer service is stressed as you learn these skills. You will also explore the business side of the beauty industry should you aspire to own your own salon. The job opportunities are many and varied, but also well paying according to your customer service and performance skills.

- Gain experience as a full service cosmetologist in a state-of-the-art salon environment
- Train with guest artists from well-known salons & companies
- Participate in field trips, salon tours, & hair shows to bring you the latest on trends in hair styles, color, & products

College Credit

College credit may be available through TCC, RSU, or OSU-Institute of Technology. For more details call the college relations office at 918-828-5205. All college credit is awarded by the college/university.
