

[INFORMATION & DIRECTIONS]

Purpose:

The Adult Career Development (ACD) Tulsa Technology Center – Hardesty Grant Scholarship is designed to help offset the cost of career development education for part-time adult students.

ACD has a limited number of financial aid scholarships which are awarded based on student need, eligibility, and availability of scholarship funds. Awards are based on student need, and at the discretion of the scholarship selection committee. ACD does not make loans to students. ACD does not guarantee any candidate receipt of any form of the scholarship award. ACD does not discriminate on the basis of race, color, sex, pregnancy, gender, gender expression or identity, national origin, religion, disability, veteran status, sexual orientation, age or genetic information in its programs, services, activities and employment.

Categories for Financial Aid:

Awards are a percentage of the cost of tuition, books, and fees for eligible part-time Tulsa Tech classes/programs, up to **\$750.00** per class or a max of **\$3,500.00** per certificate program, based on need.

Payment Disbursement:

Awards will be paid to Tulsa Tech directly. The student is responsible for payment of any tuition or fees not covered by the scholarship award, at time of enrollment.

Deadline:

Scholarship applications must be submitted for each class in a certificate program a minimum of two (2) weeks prior to the start date of the class.

Dropping Prior to Completion of Class:

If a student drops a class, outside of the set refund guidelines and prior to completion, the student will be responsible for the repayment of any tuition and fees covered by the scholarship award.

Successful Completion:

Scholarship recipients must pass a class with a grade of "C" or better to be eligible for future scholarship awards.

To be considered for an ACD TTC scholarship, you must:

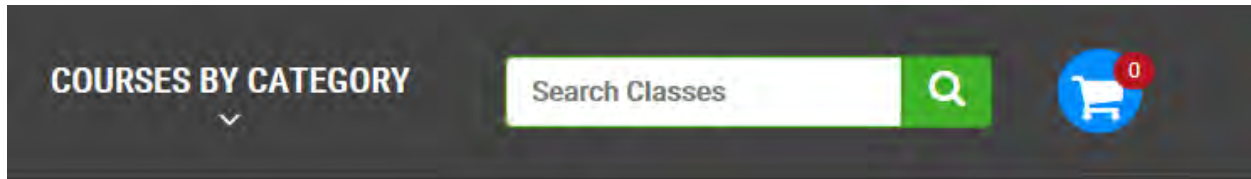

- » Complete the scholarship application in full
- » Complete the Personal Information Questionnaire
- » Create an Online Enrollment Account if you have not been an ACD student since January of 2018 (See directions for creating an online account attached)
- » Include an approximately one-page essay describing your career goals and why this scholarship is important to you
- » Provide documentation of a high school diploma or GED (if applicable to the program)
- » *Agree to a six month and one-year follow-up phone call or email in which you provide education, certification, employment, salary, and other job-related information to a Tulsa Tech representative*

PLEASE ALLOW A MINIMUM OF TWO (2) WEEKS FOR PROCESSING AND REVIEW OF APPLICATIONS.
