Empowering You (formerly Women Empowered) has served over 1000 women and awarded over \$50,000 in scholarships over the past 10 years. We are now excited to serve both women and men in funding their financial needs.

**Are you someone who:**

- **Started college at one time and never finished - we want to help YOU**
- **Never started at all - we want to help YOU**
- **Wants to earn a technical certificate or degree - we want to help YOU**

**Empowering You wants to help you meet your educational goals.**

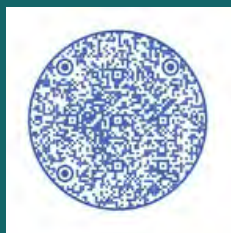

**One way to get started is to visit the offices of TRIO/EOC, a federally funded organization housed at Tulsa Community College campuses. Their mission is to increase adult enrollment in post-secondary education.**

**Please call: 918-595-8600**

**They can help you with:**

- **enrollment for any area college or university**
- **completing your FAFSA**
- **completing your application for our scholarships and other scholarships for which you might be eligible**
